**Communion will be served at both services on Sunday mornings in the Sanctuary and Chapel. Hawaiian Bread and grape juice will be used and placed on one silver plate on the left facing the altar and one chalice will be placed on right of the altar cross. Cover bread and cup with linen napkins, but place 4 dinner paper napkins on each table. Between services, communion stewards will need to check altar rail. Also check carpet for crumbs and vacuum, if needed. Replenish juice and bread. You will need a total of 4 loaves of bread – 2 for each service. If you cannot serve, please arrange to exchange with someone else on the committee.**
