

Wednesday Night Live Survey

The Wednesday Night Live Planning Committee would like to get your input on our Wednesday programs.

Please indicate which activities/programs you would like to see on the spring WNL schedule.

- Bible Study Parenting/Marriage Series
- Musical Programs Educational Programs
- Other: _____

My suggestions for meals are:

- Leave them as they are.
- Change: _____

NOTE: Beginning in February, reservations will be taken for WNL. This will help ensure that enough food is purchased while not causing any waste with excess food. Freezer space is very limited and the "Pick-a-Plate" night (left-overs) is no longer being scheduled. You can make your reservation by placing your name and number attending in the offering plate on the Sunday morning prior to the scheduled WNL. You are not obligated to attend if you sign-up and you may still attend if you don't register. Keep in mind, however, that food will be purchased based on the number of people who sign up ahead of time.
